

UTAH PIGEON CLUB
SPECIALTY CLUB REBATE CONTRACT

The Utah Pigeon Club shall pay \$1.00 per paid entry rebate to any specialty club representing a particular breed upon fulfilling the requirements set forth in this agreement for the Utah Pigeon Club show specified. The representative club must be a bona fide, functioning club.

To receive the rebate, the specialty club must do the following:

1. Have a designated breed secretary who will be responsible to supervise the specialty breed area, to see that the judging is carried out and that the judging sheets are properly recorded and returned to the UPC show secretary.
2. Provide their own judge and special awards.
3. Provide at least one person to help with set up, security and tear down at the show. They will also provide a person to help with coop tags and to set up their own judging sheets. The person representing the specialty club in these duties may not simultaneously represent any other specialty club in fulfilling their duties under this contract.
4. Once the *entire* show hall is set up, the specialty club will *then* set up their own designated judging area.
5. The specialty club will feed and water their own breed area, will keep area clean and will enforce all show rules. Feed, water and cups will be provided by the UPC. In the event of a large show the specialty club may need to provide their own judging coops.
6. Any club that has sponsored a breed for the last three Premier shows will be given priority in selecting the breed sponsor.

In agreement: Specified Show _____

Breed _____ Specialty Club _____

Signature _____ Date _____

UPC Show Secretary _____ Date _____
