2021 saw a mild turn toward normalcy after a devastating previous year due to the Covid-19 pandemic. Talk of the virus continues to dominate news headlines but with reduced infections we were able to hold our show with similar guidelines used in past shows. Numbers were once again up and although not quite as large as last year's show, the Premier hosted nearly 1500 pigeons, with many exhibitors not only from Utah but also from surrounding states. We extend our appreciation to all our exhibitors—most especially those who traveled long distances to participate in the show. The pigeon hobby is alive and well in Utah and it is our expectation that things will continue to flourish.

This year's Premier saw another change of venue. Although the new location out in Grantsville was a bit more remote than we're used to it's only about half an hour from Salt Lake City. The facility is good, the price is right, and we look forward to returning to the Deseret Peak Convention Center.

Once again we offer our gratitude for the participation of our exhibitors, the wonderful activity in the raffle, the many fanciers who helped set up the show and the large number who elected to help tear down the show. It is these combined efforts that make the Utah Premier Show one of the finest shows in America. We look forward to seeing you again in 2022!

JUNIOR SHOWMANSHIP COMPETITION

Champion: Ondrej Ball
Reserve Champion: Hunter Owens

Special thanks to the Rees family for decorating the Junior judging area and helping to ensure positive experiences and good participation from our junior members.

Senior members of the Utah Pigeon Club are encouraged to mentor younger fanciers, offer advice and counsel, make breeding stock available and otherwise help our wonderful hobby to flourish. Utah is growing in the pigeon hobby. We need your continued support and engagement in the hobby to help us to maintain our growth.

Jaycee Rees with her parents preparing decorations for the Junior Judging Area. Not only is Jaycee a passionate breeder of Old German Owls, she is in the midst of a project to compile information to benefit junior pigeon fanciers. We are grateful to have Jaycee as a supporter and participant in our Junior Program. As with many of our junior fanciers, Jaycee's parents are fully supportive and make great efforts to help her with the pigeon hobby.

Setup for the Premier Show. We are fortunate in the Utah Pigeon Club to have a good group of fanciers who not only support the show with entries, but also are there to setup the show and make sure the show is functional and looks great. Top photo shows Utah Club president Hunter Siggard and Russ Thomson putting paper between the backs of the cages. Bottom photo shows the show starting to come together and also one of the cage storage carts that has wheels allowing easy mobility.

More setup for the show. The skirting around the tabling adds a nice touch to the show helping things to look a bit cleaner. The bottom photo shows Randy Balls and Kevin Severson putting together one of the voliere pens that will house a group of pigeons.

One of the oldest local pigeon clubs in America, the Utah Pigeon Club welcomes new members and invites you to join with us. Check us out on Facebook or
