The Utah Pigeon Club is fortunate to have wonderful leadership and club membership willing to work hard. When the NPA Grand National in Amarillo was canceled, the western portion of the U.S. pigeon fanciers found themselves without a major show to attend in January. Our club leadership stepped up and put together a show to be held in Ogden on the same dates as the Grand National would have been held. This was done very, very quickly with reserving the show hall, securing specialty club national meets, and sending out promotional information only a few days after the cancelation of the Amarillo show.

UPC president Hunter Siggard led the charge and together with show superintendent Josh Zilles rallied the troops and kept enthusiasm at a high point so that when the day came to set up the show, a large group of fanciers were there on Thursday to make things come together fast! As Hunter is fond of saying, “many hands make light work!” He is absolutely correct and the show was set up rapidly so that after a lunch break of pizza provided by the UPC, we began putting up the coop cards.

Wow! What a fun day of work and fellowship. I noticed there were more than a few birds that were cooped on Thursday, too. Friday morning the show opened at 8:00 a.m. and the remainder of the show birds began to be placed into the show cages in preparation for judging.

The time flew by and before we knew it, it was time to empty the show cages and place our birds back in carrying cages for the drive home. Tear down went even faster than set up and was done in a flash. Thanks to everyone who helped with the show! We appreciate your participation and help and look forward to seeing you at the Premier Show on November 3 and 4.
