For our 2025 Premier Show, we were able to continue to meet at the Deseret Peak Convention Center in Grantsville. We appreciate the opportunity to have a lovely show hall, within our budget and meeting our requirements, only about half an hour from Salt Lake City. We want to keep staging a fantastic, inclusive show that draws exhibitors from all around the surrounding states. For those who drove a good distance to participate in the show, we offer our thanks and hope you will continue to join with us. Next year, bring a friend and his/her birds!

Our numbers are increasing and we were pleased to accomodate nearly 1600 pigeons in about 70 different breeds shown by about 100 exhibitors. I noticed that we had a good group of non-pigeon people who heard about the show and came to see what the pigeon hobby is all about. For those interested in acquiring new stock or perhaps a new breed, the Premier Show is an ideal venue as there were a number of exhibitors with extra birds for sale, as well as birds for sale in the parking lot. Bobby Corrales brought his pigeon supplies for sale so the Premier is a great place to stock up.

Our club president Hunter Siggard continues to provide great leadership to ensure a successful show surrounded and supported by a working Board of Directors who jumped in to get the task completed. Hunter rallied the troops and the result was a wonderful show that was great fun.

Ralph Lewis and his wife Robyn stepped up once again and organized a super raffle that offered great prizes and earned the club a good profit. Thanks to Ralph and Robyn and all those who supported the raffle with donations and buying tickets. It is essential we stay on a firm financial footing.

Kenna Gardner and Andrea Gazaway spent many hours decorating the show and ensuring a pleasant environment to foster good feelings in which to display our feathered pride and joys. Additionally, the show committee made certain the tables were skirted to add to the look.

Hunter handled the junior competition, making certain that junior exhibitors were invited to share their favorite birds in the competition. Bring your junior breeders with you next year to join in the fun.

What would we do without Josh Zilles? He is the heart of the show and put together an amazing celebration that offered not only a chance to show our pigeons, but pizza during set up, an ice cream social on Friday night, decorations second to none complete with potted flowers throughout the show, and a friendly atmosphere fostering unity within the hobby. Thanks, Josh for your dedication and hard work on behalf of pigeons and the Utah Pigeon Club!

After completion of a fabulous show, we extend our thanks for the participation of our exhibitors, the wonderful activity in the raffle, the many fanciers who helped set up the show and the large number who stayed to help tear down the show. It is these combined efforts that make the Utah Premier Show one of the finest shows in America and a leader in the pigeon hobby. We look forward to seeing you again in 2026!

Tribute to James Jensen

James has loved raising pigeons since his was young. After a lifetime of raising and showing pigeons, he is widely recognized as an important part of both local and national pigeon associations. He is well known and loved by his many friends and is a mentor and supporter to those who come to him with questions or to purchase quality birds from his stock. James has been awarded Master Breeder status by the Utah Pigeon Club, the National Helmet Association, The National Pigeon Association (Purebred Pigeons) and the National Classic Frill Club.

Everyone who visits his loft wishes they could move it to their own property. It consists of a full-sized garage flanked by ten-8 X10 individual pens, five on each side. His children presented him with a plaque naming it the "Pigeon Palace".

James Jensen has made the very difficult decision to give up his lifelong love of the birds because of health concerns. It will not surprise anyone if (health permitting) he attends future show events and offers help and assistance to others; that is just what James Jensen is all about.

For many years James was known primarily as an excellent breeder of Helmets. In addition to his Helmets he branched out and became a Master Breeder of Classic Frills.

Our thanks to Ralph Lewis for preparing this tribute.

**JUNIOR QUALITY
COMPETITION**

Champion Jr.:

West of England Tumbler, Yellow
Mottle YH 1702 – Aaron Hendrickson
Reserve Jr Champion:
Voorburg Shield Cropper,
Yellow OH 3528 – Vance Yeager

The Junior Quality Competition gives our young fanciers an opportunity to work with the best quality they can come up with in their breed. In addition to properly preparing the birds for a show, the overall breed characteristics must be of a high level and be able to successfully engage in strong competition. Our judges this year were Gary Severe and Kent Wright, two seasoned veterans of the pigeon hobby. Well done, Juniors and thanks to UPC President Hunter Siggard for making this happen!

**JUNIOR
SHOWMANSHIP
COMPETITION**

Champion: Haddie Sonntag

Reserve: Aaron Hendrickson

Participants in the Showmanship Competition must demonstrate that they are familiar with many aspects of the pigeon hobby and know what is required to raise pigeons, keep them in good health, and properly prepare them for show.

Special thanks to Hunter Siggard for promoting the Junior competition and helping to ensure positive experiences and good participation from our jr. members.

Senior members of the Utah Pigeon Club are encouraged to mentor younger fanciers, offer advice and counsel, make breeding stock available and otherwise help our

wonderful hobby to flourish. Utah is growing in the pigeon hobby and we welcome—and need—your continued support and engagement in the hobby to help us to maintain our growth.

We also extend our thanks to the parents and mentors of our junior participants for encouraging positive experiences in the lives of their children, including the pigeon hobby!
